

QUINTE WASTE SOLUTIONS

Operated by the Centre and South Hastings Waste Services Board

Services offered by Quinte Waste Solutions for your event include the use of event carts at no charge. If delivery is required or you encounter lost/stolen or damaged carts (see pricing on page two). We recommend placing carts next to a garbage container as a buddy system to keep non-recyclables out of the recycling containers.

Event coordinators are responsible for placing carts where needed and if delivery is required you are also responsible for returning carts back to their drop-off location.
